

DESCENDANTS OF HENRY CARSON
===== == =====

Don Norman

The Carsons originated in Scotland. They had moved to Northern Ireland, where land was cheap. They gained the right to worship as Presbyterians but had forfeited the right to hold political office.

The Ulster Presbyterians or "Scotch-Irish" were well represented in Colonial America. Seeking political freedom as well as land, the Carsons along with many others had made their way into America. The Carsons may have arrived in this country as early as 1680. By 1700 they were pushing their way up the rivers from the seacoast to the "Back Country" in search of homes.
